DESCRIPTION

FINE BLANCHE has a delicate fruity characteristic and is made from distilled Ugni Blanc grapes that are grown on the Pasteur plot that overlooks the lake at Château Arton. It should always be served from a bottle that is frosty from the freezer. It goes marvellously with smoked and marinated salmon or other types of fish as well as caviar. But it's also great with desserts, chocolate and sorbets.

It will be your indispensable ally when creating cocktails and is the perfect accompaniment, with coffee and simply as an excellent fruit eau de vie.
