

LES HAUTS D'ARTON

2024

“Château Arton, Gascony in its purest form. From vineyard to wine, from wine to Armagnac, everything happens on the estate.”

Set on the radiant slopes of Lectoure, where 60 hectares of vines flourish, the family-run Domaine d'Arton grows 9 grape varieties using sustainable permaculture. This hidden gem, overlooking the Pyrenees, offers wines of unique character, distinguished by their finesse and minerality.

KNOW-HOW: The pure, unadulterated expression of fruit is Château Arton's quest. Once picked, the grapes arrive in less than 2 minutes at the winery, to preserve the freshness of the berries.
