“Château Arton, Gascony in its purest form. From vineyard to wine, from wine to Armagnac, everything happens on the estate.”

Set on the radiant slopes of Lectoure, where 60 hectares of vines flourish, the family-run Domaine d'Arton grows 9 grape varieties using sustainable permaculture. This hidden gem, overlooking the Pyrenees, offers wines of unique character, distinguished by their finesse and minerality.

VINTAGE : 2021

GRAPE VARIETIES : 50% Cabernet sauvignon, 30% Syrah, 20% Merlot

KNOW-HOW: The pure, unadulterated expression of fruit is Château Arton's quest. Once picked, the grapes arrive in less than 2 minutes at the winery, to preserve the freshness of the berries. Each parcel of this cuvée is carefully selected and vinified separately.

AGEING: Only the Cabernet Sauvignon is aged for 12 months in barrels, to give it suppleness and roundness. The Syrah and Merlot are aged in stainless steel tanks, to preserve the expression of the fruit.

VEGETABLE COLLAGES: Pea proteins, 0 allergens.

TOTAL SO₂: 74 mg/L

ALCOHOL CONTENT: 12%

BOTTLES PRODUCED: 6,000

TASTING: Complex, expressive nose for this wine of character. Notes of jammy red and black fruits, tobacco, green pepper and dried herbs. Structured palate, marked by the greediness of fruit and vanilla, balanced by the freshness of green pepper. Good ageing potential.

PACKAGING: 6-btl flat carton. Magnum format available.
